

# MRS. MORRIS' SCHOOL SUPPLIES LIST

## 2023-2024

If you're prepping for the year ahead and want to get your supplies early, here is a list of the things your kiddo needs to bring. At List, we do a community/shared approach: meaning we combine all of the kiddos supplies and we use them as we go, so there is no need to label the supplies with the kiddos names. If you would like, you can bring these items to meet & greet to drop them off.
