

# Frankenmuth High School School Supply List Fall 2023

We are glad to provide a school supply list for the high school to help students (and parents) prepare for the upcoming school year. While all classes will require students to have **pencils, pens, paper, and headphones or earbuds**, here is a list of specific requests by class and teacher. Skyward is expected to open on August 23; at that time, you will be able to see your scheduled courses. For core classes, we have listed the grade that course is typically taken. All classes will provide laptops for student use each hour throughout the day; students will not bring their own devices to school/class. See the year-end newsletter for more info on this year's technology plans.

## **Algebra 1 (9)**

### **Class / Teacher not listed?**

Common supplies for the first day are something to write with and something to write on. Additional needs will be shared on the first day of school.

**Pro Tip:** students with more than one class listing "binder" needs may be able to use one larger binder and dividers for multiple classes and ease of carry.

Building access for **locker set up** will be available beginning on Weds. August 23 after noon and on Thursday, Aug. 24, as well as Monday, August 28, Tuesday, Aug. 29, and Thursday, Aug. 31 from 9am - 1pm daily (Skyward opens w/ locker # and com. info on Wed. Aug. 23 around noon).

The building will be closed and inaccessible all day on Weds. Aug, 30 and from Thursday, August 31 at 1 pm until 7 am on Tuesday, September 5.

**Students may decorate the inside of their lockers with appropriate items and are encouraged to use magnets (instead of tape) to minimize possible locker damage.**
